The Story Till Now
Past Outline

The only neutral country surrounded by many other countries, Kourozen, also known as God's country. The princess, Matsurika, is troubled by a proposal from Prince Orland of Cantabria, a major power. One night, Matsurika is suddenly kidnapped by an intruder and brought to the open sea. The man, Raju, who calls himself a pirate, says he will sacrifice Matsurika on the legendary altar, to attain his wish—?!

Characters

Matsurika
The princess of the Kingdom of Kourozen. Even though she has the bearing of a princess, she also has a weak side as a 16-year-old girl.

Orland
The third prince of Cantabria. He wishes to marry Matsurika. He is highly regarded as he is handsome and the crown prince.

Raju
A mysterious man who declares himself to be a pirate. It seems he has a wish he wants to have granted using the legendary altar, however he is cold and does not reveal much.
